AMES, STORY COUNTY, IOWA**

WHEREAS, the undersigned are the owners of Lots 1 through 5 ("Lot" or the "Lots") contained in Estates West Subdivision Second Addition, Ames, Story County, Iowa (the "Subdivision"); and

WHEREAS, all Lots will be developed as Single Family Home Lots and governed by these covenants; and

WHEREAS, for their own protection and for the benefit of subsequent owners of said Lots within said Subdivision, the said owners desire to restrict the use thereof in certain particulars;

NOW, THEREFORE, the parties hereto, in consideration of the covenants and agreements of each other, by these presents, covenant, bargain and agree among themselves and for their successors and assigns, as follows:

1. All Lots shall be known and described as residential lots and shall not be improved, used or occupied for other than private, single-family, residential purposes.
2. The residences to be constructed or to be permitted to remain on the Lots shall meet the following requirements:
  - a. One (1) story residences shall have a ground floor finished area of not less than two thousand (2,000) square feet.
  - b. One and one-half (1½) and two (2) story residences shall have a Total Finished Area (as defined herein) on the ground floor and the second floor of not less than two thousand five hundred (2,500) square feet.
  - c. The computation of the "Total Finished Area" shall not include porches, breezeways or garages.

3. No Lot shall be subdivided for the purpose of constructing more than one (1) residence per Lot; however, parts of Lots may be conveyed to adjoining Lot owners for any other purpose.
4. All Lots shall be a part of and be subject to the terms and conditions of the documents that govern and form the Estates West Homeowner's Association including any and all amendments to said documents.
5. No building, fence, wall or other structure shall be commenced, erected or maintained on any Lot, nor shall any exterior addition, change or alteration be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same have been submitted to and approved in writing by the managers or partners, as the case may be, of Hunziker Land Development Company, L.L.C. and Quam Limited Partnership (hereinafter collectively referred to as the "**Developers**"), or by an Architectural Committee appointed by the Developers. The primary guidelines for approval are that the plans and specifications reflect harmony of external design and location in relation to surrounding structures and drainage patterns in accordance with the storm water management plan.

When dwellings have been constructed on all Lots within the Subdivision, the requirements imposed by this paragraph shall terminate.

6. The following restrictions shall also constitute covenants:
  - a. There shall be no mobile homes placed or erected on any Lot.
  - b. No pre-erected dwelling shall be moved to any Lot.
  - c. All dwellings must have, at a minimum, a double attached garage.
  - d. No more than twelve (12) inches of concrete block, poured concrete or wood foundation shall be exposed on any building unless the exposed material is covered with brick, stone veneer or siding. Exposed foundations must be painted to blend with exterior wall finishes.
  - e. All Lots may have fences; however, any chain link fence placed on a Lot must be black in color.
  - f. All building structures or improvements of any kind must be completed within twelve (12) months of the commencement date of the construction. Any excess dirt, concrete or other debris may not be placed on other land within the subdivision. **IF CONSTRUCTION HAS NOT BEGUN ON A LOT WITHIN TWELVE (12) MONTHS OF THE DATE ON THE DEED FROM DEVELOPERS, THE OWNER OF RECORD, AT DEVELOPERS' REQUEST, AGREES TO DEED THE PROPERTY BACK TO DEVELOPERS FOR NINETY PERCENT (90%) OF THE ORIGINAL PURCHASE PRICE. THERE WILL BE NO ADJUSTMENT FOR TAXES, CLOSING COSTS OR INTEREST FROM THE TIME OF THE ORIGINAL PURCHASE OF THE LOT AT THE TIME THE DEED IS CONVEYED TO DEVELOPERS. DEVELOPERS WILL PAY ONLY**

- g. All homes must be built by a recognized homebuilder who shall be a homebuilder that completes construction of at least three (3) new homes annually.
- h. All finished Lots and house grades shall conform to the Developers' grading plan, which must be obtained from the Developers prior to construction.
- i. All mailboxes shall be placed according to United States Postal Service regulations. Individual mailboxes will not be permitted. Cluster boxes will be provided by the Postal Service.
- j. No above ground or non-permanent swimming pool shall be permitted on any Lot.

- l. No rubbish containers shall be visible from the street except on pickup day and one (1) day before and one (1) day after pickup day. Construction waste containers shall be exempt from this provision; however, the builder or Lot owner shall be responsible for keeping the construction debris contained on the Lot and in the construction waste containers.
- m. Satellite dishes or parabolic devices in excess of twenty (20) inches in diameter used to receive television or other signals from satellites shall not be permitted. The satellite dishes or parabolic devices shall be mounted on the rear elevation or the rear half ( $\frac{1}{2}$ ) of the side elevation only. In no event shall a satellite dish or parabolic device be mounted on the front elevation or the front half ( $\frac{1}{2}$ ) of a side elevation.
- n. No extension towers or antennas of any kind shall be constructed, modified or permitted on any Lot except television or radio antennas of less than ten (10) feet are permitted on dwellings or garages.
- o. No noxious or offensive activities or odors shall be permitted on or to escape from any Lot, nor shall anything be done on any Lot which is or may become an annoyance or nuisance, either temporarily or permanently.
- p. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats and other common household pets may be kept so long as they are not kept, bred or maintained for commercial purposes. Dogs must be tied, fenced or on a leash at all times.

- q. Following construction of the residential dwelling on any Lot, the front yard and side yard(s) shall be timely sodded. The requirement for sod shall be waived where a permanent underground irrigation system is installed on the Lot. Fifteen (15) feet of the rear yard, measured from the rear of the dwelling, shall be sodded.

In addition to seeding and sodding, the builder or Lot owner shall expend a minimum of two thousand five hundred dollars (\$2,500) for landscaping. The landscaping shall include at least one (1), one and one-half (1½) inch caliper tree. The Developers shall plant the necessary trees to comply with the City of Ames streetscape plan. All street trees shall be planted within twelve (12) months of the issuance of a certificate of occupancy by the City of Ames. All street trees will be planted by the Developers in the fall of the year following the completion of the erection of the primary residence on the Lot.

- r. When the City of Ames requires the construction of public sidewalks, the sidewalks shall be constructed within twelve (12) months following the sale of any Lot or at the time of occupancy of any dwelling on a Lot, whichever occurs first.
- s. All retaining walls shall be constructed of stone or masonry product. No wood landscaping timbers shall be used to construct retaining walls, except that window well retaining walls that are not visible above grade may be constructed using wood landscaping timbers.
- t. Roof materials should be slate, tile, cedar shakes or composite shingles. Composite shingles shall be architectural grade, minimum thirty (30) year warranty. Shingle colors shall be compatible with and complimentary to the exterior materials and colors. White or white blend roof shingles are not acceptable.
- u. Once a dwelling is sold and occupied, signage shall be limited to (i) address signage; (ii) owner identification signs; (iii) "For Sale" signs; (iv) "Garage Sale" signs; (v) special event signs (such as birthdays, graduations, or anniversaries, hereafter "Event" signs); (vi) political signs; and (vii) other signs approved in writing by the Developers. "For Sale" signs shall only be displayed while a dwelling is for sale and must be removed the day following the closing of the sale. "Garage Sale" and "Event" signs shall only be displayed one (1) day before the sale or event and during the sale or event and must be removed by the day following the sale or event. Political signs shall only be displayed up to two (2) weeks prior to an election and the day of the election and must be removed by the day following the election. Political signs not related to an election shall be displayed for a maximum of two (2) weeks. Other signs permitted by the Developers shall be displayed for such times as authorized by the Developers. All such signs shall be limited to no more than thirty-nine (39) inches in width and twenty-four (24) inches in height and shall be professionally constructed. No hand painted signs will be allowed. Except for address and owner identification signs, no signs shall be erected on any building elevation, erected so that is visible through window or glass openings, or, except for vehicles with professionally made business signage on the vehicles, attached to vehicles parked within the neighborhood.

Christmas lighting or other temporary outdoor lighting shall be exempt from this provision, but shall remain in place no longer than six (6) weeks.
  - w. Each Lot owner shall keep the Lot free of weeds and debris and shall take all necessary steps to control erosion on the Lot. All Lot owners shall implement appropriate erosion control measures before, during and after construction. These measures may include silt fences, ground cover and seeding over exposed areas. If, in the opinion of the Developers, erosion is not properly controlled, corrective action may be taken and the costs assessed against the Lot owner.
  - x. No building or structure of temporary character and no trailer, basement, tent, shack, garage or outbuilding shall be used at any time as a residential dwelling on any Lot, either temporarily or permanently. Tool sheds, utility buildings or play houses may be placed on any Lot; however, the area of said auxiliary structures shall not exceed one hundred forty-four (144) total square feet and said auxiliary structures shall be constructed using materials that are the same or substantially similar in type and quality to those materials used to construct the primary dwelling.
7. All of these restrictions shall be deemed to be covenants running with the land and shall endure and be binding upon all parties hereto, their successors and assigns, for a period of twenty-one (21) years from the date of the recording of these covenants, unless claims to continue any interest in the covenants are filed as provided by law.
  8. In case of violation of any of the covenants, any person then owning a Lot in said subdivision or the City of Ames, Iowa, is authorized to resort to an action of law or equity for relief, either by injunction or in damages, against the person so violating said covenants.
  9. Invalidation of any of these covenants by judgment or court order shall in no way affect the validity of any of the other provisions, but they shall remain in full force and effect.
  10. These restrictions may be amended from time to time by the affirmative vote of not less than seventy-five percent (75%) of the Lot owners. Each Lot shall be entitled to one (1) vote regardless of how many owners a Lot may have.
